

Breakthrough Breast Cancer

Welsh Gateway Canal Holidays, sponsors of a boat for
Celia's Towpath Trundle!

Celia Webber will be walking, come rain or shine, all the way from Ellesmere Port to Birmingham, a total of 83.3 miles and will return to Nantwich in Welsh Gateway's Llangollen Navigator, continuing to make the walking total up to 100 miles along the way, all in aid of Breakthrough Breast Cancer. Please join the walk anywhere along the stretch if you can, from 17th - 30th October - it will be fun! It's an incredible charity, please support us. You can email me at celiawebb@aol.co.uk for more details, specific dates etc., or even better to sponsor me for this wonderful charity.

Thankyou, Celia
